## **REALIZING HIS DREAM**

In 2016 SOJO , an Attorney from Lancaster, thru-hiked the Appalachian Trail (2189.1 miles!) at age 75 with his trusty dog, THEO!! He fulfilled the dream he had since the age of 14. You won't want to miss his awesome story. He is truly an inspiration!

His talk will be followed by lunch, a health fair in our mansion and tours of our cottages.
